STORIES BEHIND
THE FACTS

See personal stories from the global research community on misinformation, public exposure, online abuse and other key issues.

Not all subscribed resources content may be accessible due to selective subscriptions. If you need unavailable articles, request through our online services for assistance.

You can access the journal databases if the landing page displays the authenticator message: **"Petra Christian University"**

NOTE: Every database shows a different authenticator message, but you can access it as long as the university name is present.

Some credible resources that can be accessed for free.

Guides for each subject of study about subscribed databases, national accredited journals, and International journals.
